The Royal Embassy of Saudi Arabia presents its compliments to the Hellenic Ministry of Foreign Affairs and has the honour to inform the esteemed Ministry that " the King Salman Award for Disability Research" and "the Sixth International Conference on Disability and Rehabilitation" will be held during the period 25th -27th January, 2022 under the patronage of the Custodian of the Two Holy Mosques King Salman Bin Abdulaziz .

The Embassy would like to inform that the organizing committee seeks scientists and experts to participate in various scientific activities. A file containing the invitation and the brochure for the conference is attached.

The Embassy kindly requests the Ministry of Foreign Affairs to inform the relevant authorities, officials, scientists, experts, researchers and academics who have distinguished scientific contributions in the field of disability and its impact on applied and research practices.

It is to be noted that the organizing committee will cover the travel and accommodation costs for those whose academic participation is accepted.

For more information, you can browse the website www.lscdr.org.sa. For inquiries, specialists can communicate via e-mail: icdr@kscdr.org.sa. You can also contact the Embassy in this regard.

The Royal Embassy of Saudi Arabia avails itself of this opportunity to renew to the Hellenic Ministry of Foreign Affairs the assurances of its highest consideration.
